ORGANIZATION

On 29-30 March 2013, University of Craiova, Faculty of Physical Education and Sport (FPES) Craiova, Study and Research Center of Human Motion, Romanian Society of Sports Medicine, have the great pleasure to invite you at the 5TH International Conference “**Physical exercises - a complex and modern way to promote healthy living**”.

During the Conference, the presented workshops themes, belonging to sport and sportive performance, kinetotherapy, sport medicine and medical recovery, propose to offer an updating of specialized information.

The Conference wants to bring an important contribution to scientific research development of the mentioned fields, using some interdisciplinary themes approaching, where physical education represents a complex element, which induces debates about sportive management, but also about fundamental research of prophylaxis and recovery therapy.
